HOME PAGE

DESKTOP

The screenshot shows the desktop version of the website. At the top, there is a navigation bar with links for Home, Resume, Blog, and About Me. To the left of the main content area is a small icon of a person at a computer. The main content features a large, dark blue background image of a man wearing sunglasses and a suit jacket, looking upwards. On the left side of this image, there is text: "Hi, I'm Abel Tesfa" and "Web and Mobile Developer". Below this, it says "Creates and Maintains Apps and Websites". There are two purple buttons: "Contact me" and "About me". In the center, there is a section titled "REAL WORLD PROJECTS" with two sub-links: "WEBSITE" and "APPLICATION". Below this are three project thumbnails: "SASS Website" (a pink "sass" logo), "Restaurant Website" (a logo for a fast-food restaurant with a flame), and "E-learning Platfrom" (an icon of a graduation cap and a smartphone). At the bottom, there is a section titled "Tools I use" with icons for various programming languages and tools: Angular, React, JavaScript, React Native, Node.js, Elixir, Ruby, Python, and Go. The footer contains social media links, a copyright notice, and contact information.

RESUME PAGE

DESKTOP

The screenshot shows a dark-themed resume website. At the top, there is a navigation bar with links: Home, **Resume**, Blog, and About Me. Below the navigation is a section titled "Professional Summary" which includes a brief bio: "software engineer Student specializing in both frontend and backend development with NodeJS Skilled in building scalable applications and currently studying Software Engineering at Addis Ababa University." Underneath this is a section titled "Skills And Technologies" listing: Languages: JavaScript, HTML, CSS, Java, Python; Frameworks: Node.js, Express, React; Databases: MongoDB, MySQL; Tools: Git, VS Code, OBS Studio. The next section is "Experience" which details two roles: "Full-Stack Developer" from May 2023 - Present, where the developer developed and maintained a full-stack chat application using MERN stack; and "Desktop Application Developer" from 2024 - Present, where the developer developed Desktop applications using Java and its frame works, focusing on MVP design patterns making it scalable and secure. Below experience is a "Education" section showing a B.Sc. in Software Engineering from Addis Ababa University, Expected 2027. The "Projects" section contains three entries in a table:

PROJECT	TECHNOLOGY	DESCRIPTION
Full Stack Chat App	MongoDB, Express, React, Node.js	Built a chat app with real-time messaging, user authentication, and responsive design.
E-Learning Platform	HTML5, CSS, Vanilla JS Node.js, Express, MongoDB Node.js, MongoDB (Web)	Designed an E-learning platform for my personal project
E-Commerce Platform	HTML5, CSS Front End project	Designed an E-commerce platform for a burger house as a personal project

The "Achievements and Certifications" section lists two certifications: "Certification on Front End programming fundamentals" and "Certification on Back End using Nodejs".

Professional Summary

software engineer Student specializing in both frontend and backend development with NodeJS Skilled in building scalable applications and currently studying Software Engineering at Addis Ababa University.

Skills And Technologies

- Languages: JavaScript, HTML, CSS, Java, Python
- Frameworks: Node.js, Express, React
- Databases: MongoDB, MySQL
- Tools: Git, VS Code, OBS Studio

Experience

Full-Stack Developer
May 2023 - Present
Developed and maintained a full-stack chat application using MERN stack, focusing on scalable architecture and real-time data handling.

Desktop Application Developer
2024 - Present
Developed Desktop applications using Java and its frame works, focusing on MVP design patterns making it scalable and secure

Education

B.Sc. in Software Engineering
Addis Ababa University, Expected 2027

Projects

PROJECT: Full-Stack Chat App
TECHNOLOGY: MongoDB, Express, React, Node.js
DESCRIPTION: Built a chat app with real-time messaging, user authentication, and responsive design.

PROJECT: E-learning Platform
TECHNOLOGY: HTML5, CSS, Vanilla JS | Node.js, Express, MongoDB Node.js, MongoDB (Web)
DESCRIPTION: Designed an E-learning platform for my personal project

PROJECT: E-Commerce Platform
TECHNOLOGY: HTML5, CSS | Front End project
DESCRIPTION: Designed an E-commerce platform for a burger house as a personal project

Achievements and Certifications

- Certification on Front End programming fundamentals
- Certification on Back End using Node.js

PHONE/PORTAIT

The screenshot shows a mobile application interface on a phone in portrait mode. At the top, there's a header with the text "Ethio telecom" and icons for signal strength, battery, and connectivity. Below the header is a logo featuring a stylized figure and the letters "A-T". To the right of the logo are three horizontal bars.

The main content area contains a large rounded rectangle containing a "Contact Form". Inside this box, the text "DROP ME A MESSAGE" is centered at the top. Below it, the heading "Contact Form" is displayed. The form consists of four input fields with labels: "FULL NAME(*)", "EMAIL(*)", "SUBJECT:", and "YOUR MESSAGE(*)". Each label is followed by a text input field. At the bottom of the form is a purple button labeled "Send Message".

At the very bottom of the screen is a dark footer bar. It features a small logo with a stylized figure and the letters "A-T" in the center. Below the logo, the text "crafting your digital presence with precision" is written. To the left of the logo are social media icons for Facebook, Instagram, Twitter, and LinkedIn. To the right of the logo is a section titled "Useful Links" which includes links to "About Me", "Contact Me", "Resume", and "Blogs". Below this is another section titled "Contact" with information about working hours ("Monday-Friday 2:00AM-5:00PM local") and address ("Mehandis Sefer Infront Of Saint Gebriel"). At the bottom of the footer, there is a copyright notice: "©All rights Reserved by Abel Tesfa Contact: abeltesfa198@gmail.com".

TABLET/LANSCAPE

The screenshot shows a tablet interface with a dark blue background. At the top left is the "Ethio telecom" logo, and at the top right are icons for signal strength, Wi-Fi, and battery level. A three-line menu icon is in the top right corner. The main content area features a white rounded rectangle containing a contact form. The form has a title "DROP ME A MESSAGE" and a subtitle "Contact Form". It includes four input fields labeled "FULL NAME(*)", "EMAIL(*)", "SUBJECT:", and "YOUR MESSAGE(*)", each with a corresponding text input box. Below these fields is a purple button labeled "Send Message". At the bottom of the page is a footer bar with the same "Ethio telecom" logo, social media icons for Facebook, Instagram, Twitter, and LinkedIn, and the text "Crafting your digital presence with precision". The footer also contains copyright information: "©All rights Reserved by Abel Tesfa" and "Contact: abeltesfa198@gmail.com". To the right of the footer, under the heading "Useful Links", are links to "About Me", "Contact", "Me", "Resume", and "Blogs". To the right of that, under the heading "Contact", are links to "Working Hours", "Monday-Friday", "2:00AM-5:00PM local", "Address", "Mehandis Sefer", "Infront Of Saint Gebriel", and "Contact: abeltesfa198@gmail.com".

BLOG PAGE

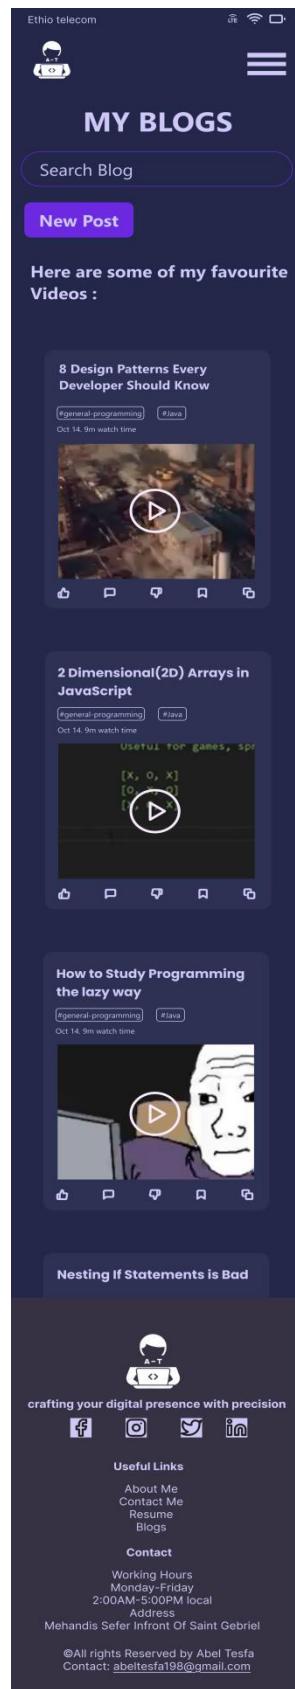

DESKTOP

The screenshot displays a desktop view of a blog page with a dark blue background. At the top, there is a navigation bar with links: Home, Resume, **Blog**, and About Me. Below the navigation bar, the title "MY BLOGS" is centered, followed by a search bar labeled "Search Blog" and a purple "New Post" button. A heading "Here are some of my favourite Videos" is present. The main content area features a 3x2 grid of video thumbnails. Each thumbnail includes a play button icon. The videos are categorized under "general-programming" and "Java". The titles and descriptions of the videos are as follows:

- 8 Design Patterns Every Developer Should Know**

ABOUT ME PAGE

DESKTOP

The screenshot shows a dark-themed website for Abel Tesfa. At the top, there's a navigation bar with links to Home, Resume, Blog, and About Me (which is underlined). Below the navigation is a portrait of Abel Tesfa. The main content area features a heading "Hello, I am Abel Tesfa" followed by a bio about his software engineering studies at Addis Ababa University and his interests in programming, financial markets, cloud computing, and development. A video player interface is shown below the bio, indicating a video duration of 0:07. A large purple button labeled "Contact Me" is centered on the page. At the bottom, there's a footer with social media icons, a copyright notice, and a contact email address.

About Me

I'm a third-year Software Engineering student at Addis Ababa University, passionate about building creative and dynamic applications. Currently diving into full-stack development, I'm constantly exploring ways to design seamless user experiences and develop efficient backend systems. From working on personal projects to collaborative team efforts, I'm dedicated to honing my skills and contributing to meaningful software solutions.

Interests

Things that I like are not much and are very specific:

- Programming
- Financial Market
- Cloud Computing
- Development

TABLET/PORTRAIT

The screenshot shows a tablet displaying a mobile-optimized resume website. At the top, there's a header section with the text "Hello, I am Abel Tesfa" and a bio about the user's background as a third-year Software Engineering student at Addis Ababa University. Below this is a section titled "Interests" listing "Programming", "Financial Market", "Cloud Computing", and "Development". A purple button labeled "Contact Me" is prominently displayed. The bottom section contains a footer with social media icons, a copyright notice, and contact information.

Ethio telecom

A-T

Hello, I am Abel Tesfa

I'm a third-year Software Engineering student at Addis Ababa University, passionate about building creative and dynamic applications. Currently diving into full-stack development, I'm constantly exploring ways to design seamless user experiences and develop efficient backend systems. From working on personal projects to collaborative team efforts, I'm dedicated to honing my skills and contributing to meaningful software solutions.

Interests

Things that I like are not much and are very specific:

- Programming
- Financial Market
- Cloud Computing
- Development

TABLET/LANDSCAPE

The screenshot shows a resume website for Abel Tesfa. At the top, there's a navigation bar with icons for mobile, search, and social media. Below it is a header section featuring a profile picture placeholder with the letters 'A-T' and a 'DEVELOPER' tag. The main heading is 'Hello, I am Abel Tesfa'. A bio paragraph describes Abel as a third-year Software Engineering student at Addis Ababa University, passionate about building creative and dynamic applications. It highlights his work on full-stack development, user experience design, and efficient backend systems. Below the bio is a section titled 'Interests' with a list: Programming, Financial Market, Cloud Computing, and Development. There's also a video player interface showing a duration of 0:00 / 0:07. A prominent purple button labeled 'Contact Me' is centered below the video player. At the bottom, there's a footer with social media links (Facebook, Instagram, Twitter, LinkedIn), a copyright notice ('©All rights Reserved by Abel Tesfa'), and a contact email ('Contact: abeltesfa198@gmail.com').
